

Judging Criteria & Scoring

These sheets are available as Adobe Acrobat .pdf files and require the Acrobat Reader to view them. If not you do not have Adobe Acrobat Reader installed on your computer, you may **DOWNLOAD IT NOW** for free.

Judging Criteria & Scoring Sheets

One of the best ways to prepare for a competition is to increase your understanding of the judging criteria. The judging sheets linked below are used at the Canon Envirothon to score each team's performance. You may use them as a guide to prepare for the Canon Envirothon or as a reference for creating judging resources for your local/regional or state/provincial Envirothon.
